## *Reflections in Nature*

Connor Hutchinson

---

*"Nature does not hurry; yet everything is accomplished.  
Atom by atom, little by little she achieves her work..."*

*Adopt the pace of nature; her secret is patience and peace"*

Ralph Waldo Emerson

Duration

6' 33"

Program Note

*TIMESCAPES: Reflections in Nature* is an audio-visual work based on the time lapse footage of Tom Lowe which explores nature's constant progression of life and death. Through the surreal visuals and powerful audio, the audience is challenged to take a step back away from the world; to go past themselves and get a more existential view of everything that goes on around them.
